WHAT SOME OF OUR CLIENTS HAVE BEEN SAYING

"Sacoa has been a valued partner since our first PINSTACK location in 2015, adapting to our needs as we expand. I appreciate their openness to our input on future developments."

Brian Cohen
VP of Operations EPG Inc, USA

"Each new opening brings new challenges, and having trusted partners like Sacoa makes a real difference."

Sergio Milesi
CEO & Founder at LOG Lot Of Games, Italy

"Sacoa has been more than justified with it flexibility affordability, and lack of problems with the system. We increased sales over 30% since installation. Support has been consistent unstinting and unfailing."

George Smith
Founder of FEG LLC, USA

"After operating with another cashless provider, the difference has been remarkable. Sacoa delivers significantly better reports, superior overall system performance, and a level of operational control that helps us manage the business more efficiently."

Santiago Carracedo
Director of Cresor Entertainment, JumpX, Uruguay

"The system's flexibility and reports have been a key factor in successfully restructuring of our game rooms. Sacoa's customer service has been instrumental in keeping our system 100% operational 24/7."

Darren Des Roches
Director of GameWorks, USA

"Their attentive service, innovative mindset, and adaptability to our project challenges made collaboration easy. Their technology has significantly and positively impacted our locations. Excellent support!"

Matthew Deith
Managing Director, FunBox Entertainment, UK

"SACOA has been much more than a supplier, providing a reliable, intuitive system and exceptional customer support. Since implementing SACOA, our sales have improved significantly, and their team's dedication has made a real difference in our operations."

Miguel Laguna
Operations Manager of Knock Out, Mexico

"Thanks to the Sacoa team for supplying us with a great card system and awesome support. It is good to deal with a family-run company which can relate to the ongoing needs of an amusement machine operation."

John Sophios
Director of iPlay Australia

"We use Sacoa Cashless System exclusively in our 6 Family Entertainment Centers. They are so responsive to our needs to provide reports, support, and more to help us grow our business and make more money."

Rick Barsness
Owner/CEO. IPC, USA

"The implementation and the ongoing support were crucial to the success of the Sacoa System at our facility. Our previous system was unreliable and often left us without support at critical moments. With Sacoa, the difference is clear."

Diego Viane
IT technician at Parque Guanabara, Brazil
